

MOTION

I MOVE that the Council Action of December 18, 2018 relative to the Hollywood Walk of Fame Project (CF 14-1174-S40), BE AMENDED to direct / authorize the Bureau of Engineering to prepare, process and execute the necessary document(s) with, and/or payment(s) to Gensler, a City consultant, to move forward on the next phases of more detailed analysis and design work for this Project, utilizing CRA/LA excess Non-Housing Bond Proceeds from the Hollywood Redevelopment Project Area already set aside in the original Council Action, and subject to the approval of the City Attorney as to form, if needed.

I FURTHER MOVE that the Council FIND that the above services to be performed by Gensler are for the performance of professional, scientific, expert, technical, or other special services of a temporary and occasional character for which competitive bidding is not practicable or advantageous and that the work can be performed more economically or feasibly by independent contractors than by City employees.
