RE: Notification of Application and Request for Authority to Accept Grant Award for
FY 2014 Edward Byrne Memorial Justice Assistance Grant (JAG) Program

Dear Honorable Members:

Pursuant to Section 14.6 of the Los Angeles Administrative Code, the Mayor's Office of Homeland Security and Public Safety is notifying the City Council of the submission of a formula grant application for the FY 2014 Justice Assistance Grant Program (FY14 JAG). The Department of Justice, Bureau of Justice Assistance issued a RFP for the FY 2014 Edward Byrne Memorial Justice Assistance Grant (JAG) Program on April 24, 2014. An application on behalf of the City of Los Angeles was submitted on June 10, 2014. On July 8, 2014 the City of Los Angeles received the award letter.

Transmitted herewith for consideration by the City Council is a request to accept \$2,120,954.00 in grant funds and approve a joint spending plan with the County of Los Angeles for the Department of Justice (DOJ), Bureau of Justice Assistance (BJA) FY 2014 Edward Byrne Memorial Justice Assistance Grant (JAG) Program. There is no match requirement associated with the Justice Assistance Grant.

The JAG is a formula grant that provides flexible funding to support all components of the criminal justice system, from multi-jurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG awards are disbursed by the grantor in the first fiscal year of the appropriation and may be expended over the following three years for a total of four years. The grant period is October 1, 2013 to September 30, 2017. The

early start date is due to the grant being awarded at the beginning of the Federal government's fiscal year, which runs from October through September.

Formula allocations are awarded by the DOJ to states and then local jurisdictions based on Part I violent crime statistics. The FY14 JAG provides the City and County of Los Angeles a direct allocation determined by population and Part 1 violent crime statistics and requires approval of a joint spending plan. Out of the total FY14 JAG allocation of \$2,120,954.00, the proposed City/County joint spending plan allocates \$1,166,524.70 to the City and \$954,429.30 to the County.

CLEAR

The funds are being directed to the Community Law Enforcement and Recovery (CLEAR) program which is part of the Mayor's Gang Reduction Strategy that was introduced in April 2007. This strategy includes suppression and prevention components. CLEAR program represents the suppression component of the City's Gang Reduction Strategy, and is focused on facilitating the recovery of gang-infested communities. This is accomplished by decreasing the criminal activity of targeted gangs in designated communities through an effective collaboration with the Mayor's Office of Gang Reduction Youth Development (GRYD), as well as City and County criminal justice agencies. The CLEAR program is integral to the success of GRYD. The CLEAR Team includes the Los Angeles Police Department (LAPD), County of Los Angeles Probation Department, Los Angeles City Attorney, County of Los Angeles District Attorney, California Department of Corrections Parole, and the Los Angeles Mayor's Office.

The FY14 JAG will partially support the CLEAR program during FY 2014-15 in a total of nine CLEAR program sites: Northeast, Newton, Southeast, Ramona Gardens, Boyle Heights, 77th, Southwest, Rampart and Foothill. The FY14 JAG will provide a total of \$864,429.30 for the following personnel support: seven Deputy City Attorney III's (\$196,082.08); nine Deputy District Attorneys (\$407,534.14); and nine Deputy Probation Officers (\$260,813.08). We are requesting authority to execute a Professional Services Agreement (PSA) with the County of Los Angeles to pay for Deputy District Attorney and Deputy Probation Officer positions. The City Attorney, Probation, and District Attorney's Offices are all committed to the CLEAR program at the current funding levels. The chart below details the funding sources for CLEAR in FY 2014-15:

Position	FY14 JAG	FY14 JABG	Total
7 Deputy City Attorneys	\$196,082.08	\$103,106.00	\$299,188.08
9 Deputy District Attorneys	\$407,534.14	-	\$407,534.14
9 Deputy Probation Officers	\$260,813.08	-	\$260,813.08
TOTAL PERSONNEL FUNDING FOR CLEAR			\$967,535.30

In addition, the LAPD component of CLEAR places Detectives, Sergeants and Police Officers in each CLEAR site. There are a total of 10 LAPD personnel assigned per CLEAR site (1 Detective, 1 Sergeant, and 8 Police Officers). LAPD salaries for CLEAR in FY 2014-15 will be funded through funds from the LAPD's existing budget.

Below is a summary of the budget for the City of Los Angeles FY 14 JAG:

Cost Category	Budget
CLEAR Personnel – 7 Deputy City Attorney III's	\$196,082.08
CLEAR Contractual Services – County 9 Deputy District Attorney III's 9 Deputy Probation Officers	\$668,347.22
CLEAR Contractual Services – Evaluation	\$90,000.00
Mayor Salaries (M&A)	\$145,403.95
Fringe Benefits	\$65,691.45
Mayor's Management and Administrative	\$1,000.00
TOTAL CITY ALLOCATION	\$1,166,524.70

Evaluation

As part of its commitment to the CLEAR program, the CLEAR Executive Committee has elected to commit funds to ensure the ongoing data collection and evaluation of the program. As a result, the budget for FY14 JAG includes \$90,000 to evaluate CLEAR over a 12-month period. The Mayor's Office of Homeland Security and Public Safety will undergo an informal procurement process to select a consultant and requests authority to execute a contract. The vendor has not been selected yet.

Management and Administration

DOJ guidelines allow up to 10% of the total award to be used in support of the management and administration (M&A) of grant-funded programs. From this award, 10% will be used for M&A. The responsibilities of the fiscal agent include applying for the grant, monitoring expenditures, complying with quarterly reporting requirements, conducting audits of City and County projects and expenditures, complying with grantor and single-audit review requirements and requests, managing the disbursement and reimbursement of grant funds, and oversight of sub-recipient spending.

Of the total amount for M&A (\$212,095.40), \$145,403.95 will be used for salaries, \$65,691.45 for fringe benefits, and \$1,000.00 for office and administration for Mayor's Office staff.

Program Narrative – Attachment 1**Community Law Enforcement and Recovery (CLEAR) Program**

The Community Law Enforcement and Recovery (CLEAR) Program began in 1997 as an innovative City of Los Angeles/Los Angeles County partnership to combat gang violence in Los Angeles. The primary purpose of CLEAR is to facilitate the recovery of gang-infested communities. This is accomplished by decreasing gang crime in targeted communities through an effective, cross-agency collaboration with City and County criminal justice agencies. The CLEAR team includes the Los Angeles Police Department (LAPD), Los Angeles County Probation Department, Los Angeles City Attorney, Los Angeles County District Attorney, and the California Department of Corrections. The City of Los Angeles will dedicate 100% of its FY 2014 Justice Assistance Grant allocation to support the CLEAR program.

CLEAR has had a verifiable impact in decreasing gang crime and on maintaining lower levels of gang crime. The success of CLEAR is remarkable: in 2013 citywide total gang-related crimes had decreased 9.5% from 2012. In contrast, 2014 year-to-date gang crime in CLEAR sites is down 17.8% from the previous year, gang-related violent crime is down %, overall Part I crime (property and violent crimes) is down 14.6%, and Part I violent crime is down 20.4%.¹

Community members have been meaningfully engaged in the process of community recovery, and government agencies, both within and outside the criminal justice system, have created innovative mechanisms to collaborate amongst themselves and with these communities. Monthly activity reports are created to assist each site with monitoring and revising plans and strategies.

¹ Los Angeles Police Department

CLEAR Partners

The key to CLEAR's success has been the immediate availability of police officers, District Attorneys, City Attorneys, and Probation and Parole Officers in the defined primary and secondary target areas. The role of each team member is outlined below:

- **The Los Angeles Police Department** deploys officers who are designated to respond to gang-related criminal activity within their respective CLEAR target area, and coordinates law enforcement efforts to suppress gang crime.
- **The California Department of Corrections** monitors and closely supervises all parolees during their re-entry into society to avert them from engaging in criminal activity upon their release.
- **The Los Angeles County Probation Department** works with the City Attorney to ensure that gang members receive appropriate conditions of probation that prohibit association with other gang members, through curfews and restrictions on returning to designated areas.
- **The Los Angeles County District Attorney's Office and City Attorney's Office** vertically prosecute the most difficult cases generated by CLEAR unit arrests using novel and innovative prosecution strategies that may include granting cross-designation status to city prosecutors, so that cases can be effectively pursued in superior court. They also track all arrests made by the CLEAR unit and prepare reports on the progress of the prosecution efforts, from the point of arrest through the final court disposition of each case, including the length of imprisonment or the terms of probation ordered, and prepare and prosecute civil injunctions against gang member activities within the CLEAR sites. CLEAR team members also collaborate with residents within each CLEAR site through the creation of a

Community Impact Team (CIT). The CIT's focus is specifically on quality of life issues such as graffiti, litter and juvenile loitering. The CIT also facilitates a linkage between CLEAR's suppression efforts and other gang prevention and intervention programs. Community members on the CIT's identify effective community organizations in their area and facilitate a relationship between those organizations and law enforcement agencies, which partner to secure support from individuals and businesses within the community.

Selection of CLEAR Sites

Areas with high rates of gang-related crime are generally selected as CLEAR sites. Within each site, there is a primary target area and a secondary target area, identified by LAPD Reporting Districts, which track all LAPD crime data. Primary target areas are comprised of those reporting districts with the most gang activity in the CLEAR site area. Secondary target areas are comprised of those reporting districts with a high level gang activity, but at lower levels than in the primary target areas. Program resources are deployed first to the primary target areas and then to secondary target areas. This approach ensures that resources are efficiently deployed to areas with the most gang related crime.

Goals, Objectives and Evaluation

The goal of the CLEAR program is to reduce the propagation of gangs, gang membership, and gang-related criminal activity. An independent evaluation of the effectiveness of the CLEAR program is prepared and submitted to the CLEAR Executive Board on an annual basis. The Executive Board chooses the entity that will conduct the evaluation through a competitive bidding process after sending out requests for proposals. The evaluation includes a description of the extent to which the project has accomplished the following:

- a) A decrease in gang crime in each CLEAR site;
- b) A decrease in violent gang crime in each CLEAR site; and
- c) The prosecution of those arrested for gang-related crimes in the CLEAR sites.

In addition, the CLEAR program will utilize the following performance measures consistent with Bureau of Justice Assistance Justice Assistance Grant Program:

- a) Percent change in number of individuals arrested in a targeted group by crime type;
- b) Expected change in arrests;
- c) Percent change in reported crime rates in a community by crime type; and
- d) Expected change in crime rates.

An evaluation consultant will provide ongoing monthly, quarterly, and annual reports that contain comparative data analysis on crime reduction in the CLEAR sites. Details of the evaluation process include:

- Site Activity Statistics: On a monthly basis, collect data reflecting site activities. Provide law enforcement with access to an electronic web-based system to input collected data. Include numbers of arrests, prosecutions, and other related activities.
- On a quarterly basis, obtain and analyze gang crime data for all CLEAR sites using a statistical model approved by the CLEAR Executive Board. Compare site gang crime statistics to division-wide gang crime statistics.
- Create and distribute four semi-annual reports to be presented to the Board that will include the following content in one or more of the four reports:
 - An implementation study that details how the program was implemented across all sites during the Contract period, citing any challenges and successes as well as making recommendations for the future;

- Document all pertinent changes that occurred during the contract period, including but not limited to Reporting Districts, staff turnover, analysis of which sites have the greatest change in gang-related crime, etc.;
- A comprehensive overview that details CLEAR operations and outcomes in a historical, cross-site context; and
- An analysis of CLEAR’s impact on each community including feedback from community members.

Project Implementation

Funding from the JAG 14 award will be utilized for the salaries for the City Attorneys, District Attorneys, and Probation Officers as follows:

CLEAR site	City Attorney	District Attorney	Probation Officer
Northeast	X	X	X
Newton	X	X	X
Southeast	X	X	X
Foothill	X	X	X
Southwest	X	X	X
Boyle Heights	X	X	X
Ramona Gardens	X	X	X
Rampart		X	X
77th		X	X

NOTE: Due to limited resources, the City Attorneys in the Rampart and 77th CLEAR sites will be funded out of alternative funding sources, and will work closely with the DA’s and Probation Officers in those CLEAR sites who are funded by this grant.

Funding will ensure that program activities are not interrupted and that all staff can continue to dedicate their time to their roles within the CLEAR team. Funding will cover CLEAR staffing and grant administration for the entirety of the grant term, through September 30, 2017. As the fiscal agent for this grant, the Los Angeles Mayor’s Office of Homeland Security and Public

Safety will obtain all necessary internal approvals to expend the grant and enter into formal agreements with the partner agencies. The Operational Teams in the CLEAR sites will continue to implement the specific CLEAR strategy for the identified area and continue coordination of services with the office of Gang Reduction and Youth Development (GRYD). The CLEAR Executive Committee will continue to oversee and monitor CLEAR activities in the target areas. CLEAR activities will be evaluated, and based upon the initial findings strategies in all sites, will be modified and expanded.

Project Management

The Mayor's Office of Homeland Security and Public Safety will manage the City of Los Angeles Justice Assistance Grant Award Program. The Office has over a decade of experience in managing grant funds and a history of grant compliance. The Office is responsible for securing and administering the City's State and Federal public safety and criminal justice grants, all of which require programmatic and fiscal audits.

The City and County of Los Angeles are grouped as disparate jurisdictions for this grant. The City will act as the fiscal agent and submit all required reports and grant adjustments, as needed. The City will ensure that County expenditures are in compliance with grant guidelines. The City and County will plan to expend the funding based on a 50-50 split of the total allocation (after the deduction of 10% of the award by the City of Los Angeles for the administration of the grant), amounting to \$954,429.30 each for the City and County respectively, and \$212,095.40 for administration.

The Honorable Eileen Decker
City of Los Angeles

Los Angeles, CA 90012

Dear Deputy Mayor Decker:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <http://ojp.gov/about/ocr/vawafaqs.htm>.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

Ensuring Equal Treatment for Faith-Based Organizations

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs) (see below).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEO (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

Meeting the EEOP Requirement

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/eeop.htm>. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

Ensuring the Compliance of Subrecipients

SAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see http://www.ojp.usdoj.gov/funding/other_requirements.htm.

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

AWARD DATE 07/08/2014

SPECIAL CONDITIONS

8. The recipient agrees to comply with applicable requirements regarding registration with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OJP). The recipient also agrees to comply with applicable restrictions on subawards to first-tier subrecipients that do not acquire and provide a Data Universal Numbering System (DUNS) number. The details of recipient obligations are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/sam.htm> (Award condition: Registration with the System for Award Management and Universal Identifier Requirements), and are incorporated by reference here. This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
9. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
10. The recipient agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies, and guidance is available in the OJP Financial Guide Conference Cost Chapter.
11. The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>.
12. The recipient agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this OJP award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this OJP award, the recipient will promptly notify, in writing, the grant manager for this OJP award, and, if so requested by OJP, seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.
13. The recipient understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.
14. The recipient understands and agrees that - (a) No award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) Nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

SPECIAL CONDITIONS

16. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
17. The recipient agrees that all income generated as a direct result of this award shall be deemed program income. All program income earned must be accounted for and used for the purposes of funds provided under this award, including such use being consistent with the conditions of the award, the effective edition of the OJP Financial Guide and, as applicable, either (1) 28 C.F.R. Part 66 or (2) 28 C.F.R Part 70 and 2 C.F.R. Part 215 (OMB Circular A-110). Further, the use of program income must be reported on the quarterly Federal Financial Report, SF 425.
18. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
19. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.it.ojp.gov/gsp_grantcondition. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.
20. The recipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the grant funds in the trust fund (including any interest earned) during the period of the grant and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to the Office of Justice Programs at the time of closeout.

AWARD DATE 07/08/2014

SPECIAL CONDITIONS

21. The grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

22. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.
23. The recipient agrees to submit a signed certification that that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.
24. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.

SPECIAL CONDITIONS

25. The recipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.
26. The recipient agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <http://www.it.ojp.gov/default.aspx?area=policyAndPractice&page=1046>.
27. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.
28. The recipient acknowledges that all programs funded through subawards, whether at the state or local levels, must conform to the grant program requirements as stated in BJA program guidance.
29. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
30. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.
31. The recipient agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any subaward. The recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.
32. The recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.

SPECIAL CONDITIONS

33. Award recipients must submit quarterly a Federal Financial Report (SF-425) and annual performance reports through GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Therefore, quarterly performance metrics reports must be submitted through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.
34. Award recipients must verify Point of Contact(POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (GMS) to document changes.
35. The grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).
36. No JAG funds may be expended on the purchase of unmanned aircraft, unmanned aircraft systems or unmanned aerial vehicles (UA/UAS/UAV), unless the BJA Director certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order. Any state or local jurisdiction receiving BJA approval to utilize JAG funds for this type of purchase must certify to DOJ that it received Federal Aviation Administration (FAA) approval to operate a UA/UAS/UAV and that it is legal to operate a UA/UAS/UAV in the proposed jurisdiction or geographic area. The recipient must submit a statement on the goals and objectives for the use of a UA/UAS/UAV, the anticipated specific uses, and policy regarding privacy considerations. BJA may require additional reporting requirements that will be stipulated post award.
37. BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to your My BJA account at <https://www.bja.gov/Login.aspx> to access the Success Story Submission form. If you do not yet have a My BJA account, please register at <https://www.bja.gov/profile.aspx>. Once you register, one of the available areas on your My BJA page will be "My Success Stories". Within this box, you will see an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the new BJA Success Story web page at <https://www.bja.gov/SuccessStoryList.aspx>.
38. Recipient may not expend or drawdown funds until the Bureau of Justice Assistance, Office of Justice Programs has received and approved the signed Memorandum of Understanding (MOU) between the disparate jurisdictions and has issued a Grant Adjustment Notice (GAN) releasing this special condition.
39. Recipient may not expend or drawdown funds until the Bureau of Justice Assistance (BJA) has received documentation demonstrating that the state or local governing body review and public comment requirements have been met and a Grant Adjustment Notice (GAN) has been approved releasing this special condition.

40. The recipient may not obligate, expend, or draw down any award funds until: (1) it has provided to the grant manager for this OJP award either an "applicant disclosure of pending applications" for federal funding or a specific affirmative statement that no such pending applications (whether direct or indirect) exist, in accordance with the detailed instructions in the program solicitation, (2) OJP has completed its review of the information provided and of any supplemental information it may request, (3) the recipient has made any adjustments to the award that OJP may require to prevent or eliminate any inappropriate duplication of funding (e.g., budget modification, project scope adjustment), (4) if appropriate adjustments to a discretionary award cannot be made, the recipient has agreed in writing to any necessary reduction of the award amount in any amount sufficient to prevent duplication (as determined by OJP), and (5) a Grant Adjustment Notice has been issued removing this special condition.

Memorandum To: Official Grant File

From: Orbin Terry, NEPA Coordinator

Subject: Incorporates NEPA Compliance in Further Developmental Stages for City of Los Angeles

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>. Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and units of local government, including tribes, to support a broad range of activities to prevent and control crime based on their own state and local needs and conditions. Grant funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice, including for any one or more of the following program areas: 1) law enforcement programs; 2) prosecution and court programs; 3) prevention and education programs; 4) corrections and community corrections programs; 5) drug treatment and enforcement programs; 6) planning, evaluation, and technology improvement programs; and 7) crime victim and witness programs (other than compensation).

The City of Los Angeles and the County of Los Angeles are listed as disparate jurisdictions under the FY 2014 Local JAG allocation. Both jurisdictions will utilize the JAG award to fund the Community Law Enforcement and Recovery Program (CLEAR). The primary purpose of CLEAR is to facilitate the recovery of targeted

WHEREAS, BJA requires this MOU be executed between the County and City prior to allocating the FY14 JAG funds; and

WHEREAS, each governing body, in performing governmental functions or in paying for the performance of governmental functions hereunder, shall make that performance or those payments from current revenues legally available to that party; and

WHEREAS, each governing body finds that the performance of this MOU is in the best interests of both parties, that the undertaking will benefit the public, and that the division of costs fairly compensates the performing party for the services or functions under this MOU; and

WHEREAS, the City agrees to serve as the applicant/fiscal agent for the FY14 JAG funds allocated to the City and County and to provide the County with the amount of JAG funds approved by BJA for use as approved by BJA under the FY14 JAG program.

NOW THEREFORE, the COUNTY and CITY agree as follows:

Section 1.

The term of this MOU shall commence on October 1, 2013 and end September 30, 2017. Said term is subject to the provisions herein.

Section 2.

Upon the disbursement by BJA to the City of all FY14 JAG funds allocated to the City and County, the CITY agrees to disburse on a reimbursement basis to County that amount allocated by BJA to the County (the "Disbursement Amount"). The Disbursement Amount is the amount of JAG funds allocated to the County by BJA less 10% of such allocated amount to be retained by the City as compensation to the City for its role as applicant/fiscal agent of such FY14 JAG funds. The County agrees to use the FY14 JAG funds allocated to it for those projects approved by BJA under the FY14 JAG program as set forth in the application for the FY14 JAG funds submitted by the City to BJA. Prior to disbursement of the Disbursement Amount of FY14 JAG funds to the County, the County agrees to enter into a contract with the City setting forth the County's and the City's assurances and obligations regarding the use of FY14 JAG funds, which shall include without limitation compliance with all applicable laws and reporting requirements related to the FY14 JAG program and the use of the FY14 JAG funds (the "Contract"). Currently the Disbursement Amount is contemplated to be \$954,429.30.

Section 3.

Nothing in the performance of this MOU shall impose any liability for claims against the City or County other than claims for which liability may be imposed by the California Tort Claims Act, or claims by the State or Federal Government for unallowable expenditure of the funds provided by this MOU.

Section 4.

Any expenditures made prior to the execution of this MOU shall be eligible for reimbursement by FY14 JAG funds only upon explicit approval by BJA, such approval to be made in BJA's sole discretion. Funding for all periods of this MOU is subject to the continuing availability of Federal funds for this program. The MOU may be terminated immediately upon written notice to County of a loss or reduction of Federal grant funds. Any change in the terms of this MOU, including any increase or decrease in the amount of FY14 JAG funds awarded, shall be incorporated into this MOU by a written amendment properly executed and signed by the person authorized to bind the parties.

Section 5.

Upon execution of this MOU, the County shall provide performance reports on a quarterly and annual basis demonstrating progress in achieving desired goals and outcomes in a form and manner as required under the FY14 JAG program.

Section 6.

Each of the parties to this MOU is a public entity. In contemplation of the provisions of Section 895.2 of the Government Code of the State of California imposing certain tort liability jointly upon public entities, solely by reason of such entities being parties to an

Agreement as defined by Section 895 of said Code, the parties hereto, as between themselves, pursuant to the authorization contained in Section 895.4 and 895.6 of said Code, will each assume the full liability imposed upon it or upon any of its officers, agents, or employees by law, for injury caused by a negligent or wrongful act or omission occurring in the performance of this Agreement, to the same extent that such liability would be imposed in the absence of Section 895.2 of said Code. To achieve the above stated purpose, each party indemnifies and holds harmless the other party solely by virtue of said Section 895.2. The provision of Section 2778 of the California Civil Code is made a part hereto as if fully set forth herein. County certifies that it has adequate self insured retention of funds to meet any obligation arising from this MOU. City also certifies that it has adequate self-insured retention of funds to meet any obligation arising from this MOU.

Each party to this MOU will be responsible for its own actions in providing services under this MOU and shall not be liable for any civil liability that may arise from the furnishing of the services by the other party.

Section 7.

The parties to this MOU warrant that they will abide by all the Federal, State and other governmental rules and regulations applicable to the FY14 JAG funds. The County shall be liable to the City, as fiscal agent, for any sums spent under the FY14 JAG grant found to be ineligible by the State or Federal government. The County shall cooperate and assist the City in any audit, or administrative or judicial actions brought by the State or Federal government concerning the activities funded by this MOU.

Section 8.

The parties to this MOU do not intend for any third party to obtain a right by virtue of this MOU.

Section 9.

By entering into this MOU, the parties do not intend to create any obligations express or implied other than those set out herein. Further, this MOU shall not create any rights in any party not a signatory hereto.
