Summary: Seniors are the backbone of any neighborhood. They are also among the fastest growing segment of Los Angeles' Population. The Los Feliz Neighborhood Council (LFNC) is proud that the Griffith Park Adult Community Club (GPACC) is the largest senior club in the city, and supports Councilmember Ryu's motion to evaluate the feasibility of using the city-owned property at 3210 and 3248 W. Riverside Drive to develop a senior center, community center, and other uses to serve GPACC. The current GPACC site, located directly off the street, is stretched beyond its current capacity. A new, larger center is needed to host GPACC and encourage an even greater range of services and opportunities for our seniors than is currently being provided. The LFNC also supports the concurrent efforts to bring a Bridge Housing and Crisis Center to the same site while feasibility studies are underway. The council believes that public land is meant for the use of all neighbors, and applauds Councilmember Ryu's efforts to use this property for the maximum benefit of all Los Felizians. The LFNC looks forward to working with GPACC, Councilmember Ryu, and all of our community partners to examine this exciting opportunity and help write the next chapter of Los Feliz's future.
