Hello Mr. Mahdi,

Per Los Angeles Municipal Code (LAMC) 12.27 P. 1, the City Council has 90 days to act on a zone variance appeal. For this project, the last day for City Council to act is **11/5/14**. The LAMC allows for an extension of time if the Applicant and the City mutually consents.

The tentative hearing dates for the appeal for 6340-6346 West Sister Elsie Drive (CF 14-1196) are below:

**Planning and Land Use Management (PLUM) Committee - Tuesday, 11/4/14**  
**City Council - Shortly thereafter**

The City of Los Angeles respectfully requests an extension from **11/5/14** to **12/5/14** in order to fulfill the public hearing notice requirement as well as to allow sufficient time for the City Council to consider your project during the hearing dates listed above.

In order to proceed with the processing for this project, an email reply is requested from you by **Friday, 9/5/14 by 4 pm**. Please contact me if you have questions. Thank you.
