The CITY OF LOS ANGELES acting by and through the DEPARTMENT OF WATER AND POWER is also periodically referred to in this Agency Agreement as "LADWP" or as "Agent". LADWP and SCPPA are also sometimes referred to herein, with respect to this Agency Agreement, individually as the "Party" and together as the "Parties".
  
2. **RECITALS, CONSTRUCTION AND PRELIMINARY MATTERS.** The Recitals set forth herein and the facts which follow are incorporated into this Agency Agreement by reference for all purposes. This Agency Agreement has been reviewed by attorneys for both Parties and shall not be interpreted with reference to the rules of construction providing for construction against a Party responsible for drafting or creating a particular provision or section, but should instead be interpreted in a manner which broadly carries forth the goals and objectives of the Parties as expressed herein. References to "Sections" or "Appendix" shall be to Sections or the Appendix of this Agency Agreement unless otherwise specifically provided. Section headings in this Agency Agreement are included herein for convenience of reference only and shall not constitute a part of this Agency Agreement for any other purpose or be given any substantive effect. Any of the terms defined herein may, unless the context otherwise requires, be used in the singular or the plural, depending on the reference. The use herein of the word "include" or "including", when following any general statement, term or matter, shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not nonlimiting language (such as "without limitation" or "but not limited to" or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that fall within the broadest possible scope of such general statement, term or matter. This Agency Agreement is made with reference to the following facts among others:
  - 2.1 SCPPA was created pursuant to provisions contained in the Joint Exercise of Powers Act found in Chapter 5 of Division 7 of Title 1 of the Government Code of California, as amended from time to time (the "Act"), by its members, which are municipalities and an irrigation district that supply, among other things, electrical energy, in the State of California, for the purpose of jointly and cooperatively undertaking the planning, financing, development, acquisition, construction, improvement, betterment, operation, and maintenance, of projects for the generation or transmission of electric energy, including the development and implementation of systems and frameworks for the acquisition and delivery of secure, long term reliable supplies of renewable electric energy.
  
  - 2.2 LADWP is a California municipal utility, created and existing pursuant to the Los

Angeles City Charter, which provides electric energy to its citizens through its municipally owned electric system. LADWP is one of the parties to the SCPPA Joint Powers Agreement and is one of the eleven founding member municipalities which formed SCPPA. Since the initial creation of SCPPA pursuant to the Joint Powers Agreement, LADWP has acted, in part, through SCPPA's Board of Directors to carry out generation, transmission and other projects through SCPPA.

- 2.3 To carry forth the objectives of the Parties to this Agency Agreement, SCPPA (i) is entering into the Power Purchase Agreement with 62SK 8ME LLC, an affiliate of 8minutenergy Renewables LLC, and (ii) in addition, will enter into other Power Purchase and Security Agreements which, along with other applicable provisions of the Power Purchase Agreement, will potentially provide SCPPA with certain purchase rights and obligations with respect to the Project and certain related facilities and property, all as shall inure to SCPPA for and on behalf of LADWP, including all of the rights, benefits and entitlements and all of the duties, obligations, and liabilities under the Power Purchase and Security Agreements accruing through SCPPA, including the receipt of Facility Output under and pursuant to the terms of the Power Purchase Agreement and the Power Sales Agreement.
- 2.4 SCPPA is entering into the Power Sales Agreement with LADWP under which SCPPA will sell to LADWP, as the Purchaser thereunder, and LADWP will purchase from SCPPA the Facility Output.
- 2.5 The Power Sales Agreement provides for the designation of a Project Manager to administer the Project on behalf of SCPPA.
- 2.6 It is the purpose of this Agency Agreement to carry forth the intendment of the Power Sales Agreement and to designate and appoint LADWP as Project Manager of the Project and to repose in LADWP, through this Agency Agreement, the power, authority and responsibility to act as the Agent (including as Project Manager) for and on behalf of SCPPA in the management and administration of the Project.

3. **AGREEMENT.** For and in consideration of the premises and the mutual covenants and agreements hereinafter set forth, and in order to carry forth the objectives of the Power Sales Agreement and to appoint LADWP as such Agent (including as Project Manager) of the Project, the Parties agree as herein set forth.

In the event such invoice is in dispute, Agent will give consideration to such dispute and will advise SCPPA with regard to Agent's position relative thereto within 30 days following receipt of written notification by SCPPA of such dispute.

## 10. LIABILITY.

- 10.1 No Liability of SCPPA, Agent (including in its capacity as Project Manager), or Their Directors, Officers, Employees, Etc.; SCPPA's and Agent's Directors, Officers, Employees Not Individually Liable. Both Parties agree that neither Party, nor any of their past, present or future directors, officers, board members, agents, attorneys, advisors, employees or employees of the governmental entity of which the Agent is a part (collectively, the "Released Parties") shall be liable to any other of the Released Parties for any and all claims, demands, liabilities, obligations, losses, damages (whether direct, indirect or consequential), penalties, actions, loss of profits, judgments, orders, suits, costs, expenses (including attorneys' fee and expenses) or disbursements of any kind or nature whatsoever in law, equity or otherwise (including, without limitation, death, bodily injury or personal injury to any person or damage or destruction to any property of any of the Released Parties) suffered by any Released Party as a result of the action or inaction or performance or non-performance by the Power Purchase Provider or any of the Released Parties under this Agency Agreement or any Project Agreement (excluding gross negligence or willful misconduct which unless otherwise agreed to by the Parties, are both to be determined and established by a court of competent jurisdiction in a final, non-appealable order). Each Party shall release each of the other Released Parties from any claim or liability that such Party may have cause to assert as a result of any action or inaction or performance or non-performance by the Released Parties under this Agency Agreement or any Project Agreement (excluding gross negligence or willful misconduct which unless otherwise agreed to by the Parties, are both to be determined and established by a court of competent jurisdiction in a final, non-appealable order). Notwithstanding the foregoing, no such action or inaction or performance or non-performance of any of the Released Parties shall relieve either Party from its respective obligations under this Agency Agreement, including either Party's obligation to make payments required under this Agency Agreement, the Power Purchase and Security Agreements or any other Project Agreement. The provisions of this Section 10.1 shall not be construed so as to relieve the Agent from any obligation under this Agency Agreement, the Power Purchase

and Security Agreements or any other applicable Project Agreement. The Parties also hereby recognize and agree that neither Party's past, present or future directors, officers, board members, agents, attorneys, advisors, employees or employees of the governmental entity of which the Agent is a part shall be individually liable in respect of any undertakings by any of the Released Parties under this Agency Agreement or any Project Agreement. Notwithstanding any provision of this Agency Agreement which might arguably be construed to the contrary, nothing in this Section 10 shall affect LADWP's obligation as the Purchaser under the Power Sales Agreement to make any payment or pay any cost required of it under the Power Sales Agreement.

- 10.2 Extent of Exculpation; Enforcement of Rights in Equity. The exculpation provision set forth in Section 10.1 hereof shall apply to all types of claims or actions including, but not limited to, claims or actions based on contract or tort. Notwithstanding the foregoing, either Party may protect and enforce its rights under this Agency Agreement by a suit or suits in equity for specific performance of any obligation or duty of the other Party and the Agent may enforce by any legal means its right to payment for Agency Costs in accordance with the terms of this Agency Agreement.
- 10.3 No Relief From Insurer's Obligations. The provisions of Section 10.1 shall not be construed so as to relieve any insurer of its obligation to pay any insurance claims.
- 10.4 SCPPA Directors Officers, Employees, Agents Not Liable; No General Liability of SCPPA. It is hereby recognized and agreed that no officer, agent or employee of SCPPA shall be individually liable in respect of any undertakings by SCPPA under this Agency Agreement. The undertakings by SCPPA under this Agency Agreement shall never constitute a debt or indebtedness of SCPPA within the meaning of any provision or limitation of the constitution or statutes of the State of California, and shall not constitute or give rise to a pecuniary liability of SCPPA or a charge against its general credit. Any provision of this Agency Agreement to the contrary notwithstanding, the obligation of SCPPA under this Agency Agreement to make or cause to be made payments shall be limited to those payments permitted by and monies available under any Indenture or as provided for in this Agency Agreement.
- 10.5 No Warranty for Agent Services. All services provided by Agent are provided on an "as is" basis. Agent disclaims all warranties, express or implied, statutory or otherwise, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.

## 11. ALTERNATIVE DISPUTE RESOLUTION.

- 11.1 Non-Binding Dispute Resolution. If any dispute arises out of or relates to this Agency Agreement, or the asserted breach thereof, the Parties agree that the Parties shall first employ the non-binding mediation process which is set forth in this Section 11 before initiating any other type of legal action.
- 11.2 Role of the SCPPA Board of Directors; Nonbinding Mediation Procedure. If a dispute arises between the Parties under this Agency Agreement, the dispute shall be submitted to the Board of Directors. If the Board of Directors is unable to resolve the dispute, the

Parties may then submit the dispute to non-binding mediation.

## 12. RELATIONSHIP OF THE PARTIES.

12.1 Separate and Several Interests. The covenants, obligations and liabilities of the Parties are intended to be several and not joint or collective and nothing herein contained shall ever be construed to create an association, joint venture, trust, partnership or other legal entity, or to impose a trust or partnership covenant, obligation or liability on or with regard to either or both of the Parties. Each Party shall be individually responsible for its own covenants, obligations and liabilities under this Agency Agreement. Neither Party shall be under the control of or shall be deemed to control any other Party. Neither Party shall be the agent of or have a right or power to bind the other Party without its express written consent, except as expressly provided in this Agency Agreement.

## 13. UNCONTROLLABLE FORCES.

13.1 Excuse of Performance by Reason of Uncontrollable Forces. Other than with respect to the obligation of a Party to make payments as provided in this Agency Agreement, neither Party shall be considered to be in default in the performance of any of its obligations under this Agency Agreement when a failure of performance shall be due to an Uncontrollable Force. Nothing contained herein shall be construed so as to require a Party to settle any strike or labor dispute in which it may be involved. In the event a Party is rendered unable to fulfill any of Its obligations under this Agency Agreement by reason of an uncontrollable force, such Party shall give prompt written notice of such fact to the other Party and shall exercise due diligence to remove such inability with all reasonable dispatch. In such event, the Parties shall diligently and expeditiously determine how they may equitably proceed to carry out the objectives of this Agency Agreement.

## 14. BINDING OBLIGATIONS.

14.1 All Obligations Binding. All of the obligations set forth in this Agency Agreement shall bind the Parties and their successors and assigns.

## 15. GENERAL PROVISIONS GOVERNING AGREEMENT.

15.1 Severability. In the event that any of the terms, covenants or conditions of this Agency Agreement or the application of any such term, covenant or condition, shall be held invalid as to any person or circumstance by any court having jurisdiction in the premises, all other terms, covenants or conditions of this Agency Agreement and their application shall not be affected thereby, but shall remain in force and effect, unless a court holds that the provisions are not separable from all other provisions of this Agency Agreement.

15.2 Waiver Not to Effect Subsequent Events. Any waiver at any time by a Party of its rights with respect to a default or any other matter arising in connection with this Agency Agreement shall not be deemed a waiver with respect to any subsequent default or matter.
