HOUSING COMMITTEE REPORT relative to authorization for various actions within the Lead Hazard Remediation Program and Healthy Homes Production Program (HHPP).

Recommendation for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

APPROVE the recommendations as detailed in the City Administrative Officer (CAO) report dated October 7, 2014 (attached to Council file No. 14-1288) relative to authorization for the Controller to appropriate and expend funds and create accounts for the continued operation of two Lead Hazard Reduction Demonstration Grants and one Healthy Homes Production Grant through Fiscal Year 2014-15, and authorization for the Los Angeles Housing and Community Investment Department (HCIDLA) to execute four contract amendments.

Fiscal Impact Statement: The CAO reports there will be no impact to the General Fund as a result of these actions. The funding for the proposed third amendments to the contracts with four outreach, education and enrollment service providers and other recommended actions is derived from the Healthy Homes and Lead Grant Program from the United States Department of Housing and Urban Development's Office of Lead Hazard Control and Healthy Homes.

Community Impact Statement: None submitted.
