Summary:

The stakeholders of North Hills West are affected by illegal dumping on a daily basis. Therefore, the North Hills West Neighborhood Council supports the motion presented by Council members Cedillo, Huizar, and Buscaino regarding the Clean Streets Initiative, as well as the Keep It Clean and SANSTAT programs created to reduce the incidences of illegal dumping throughout the city. It is important to the NHWNC that the programs be enacted equally throughout all neighborhoods of Los Angeles with a goal of no backlog of service requests.
