**Re: 14-258 Griffith Park – Greek Theatre Concession Award**

Dear Commissioners:

The Greater Toluca Lake Neighborhood Council (“GTLNC”) voted unanimously at its November 18, 2014 General Board Meeting (vote - 13/0/0) to “Recommend to approval of the Nederlander Concerts/AEG Live proposal to operate the Greek Theatre, given the longstanding history at this property, civic engagement, and enhanced financial benefit for the City of Los Angeles compared to the competing proposal.”

The GLTNC believes the process that Nederlander/AEG Live has pursued, including but not limited to a pragmatic proposal that offers a contextual-based design (Brenda Levin/Mia Lehr), while understanding and responding to the residential community that surrounds this complex and would be most impacted by a material change at this site, merits award if their request.

Thank you for your time and consideration in this matter.

Respectfully,

Ryan Altoon  
President, GTLNC
