Re: 10830 West Chalon Road Approved Haul Route

Dear Council members Gil Cedillo, Jose Huizar, and Mitch Englander:

Please accept this letter of support for your use with respect to the haul route at 10830 Chalon Road, Los Angeles, CA 90077. I ask for you to uphold the haul route decision made on October 28, 2014, by the Building and Safety Commissioners.

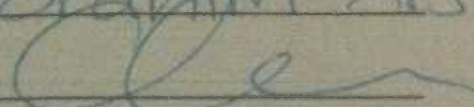

This letter is to confirm that the property has met all the city code requirements and that, no deviations from the code are being requested, in fact, Mr. Sadighpour has gone above and beyond to make this property a premiere location in Bel-Air.

The existing property has a 64 year old single family residential unit that does not add value to the neighborhood. The existing home is dated, out of character and lacks in curb appeal. The property has been on and off the real estate market for more than a decade.

I am disappointed an appeal was filed on the determination of the haul route before any attempt was made to contact Mr. Sadighpour. I support the haul route particularly since Mr. Sadighpour is designing per code and is in compliance with city regulations. I encourage you to uphold the decision of the building department and dismiss any appeals on the haul route.

Very truly yours,

Name: Engelham Arshadneg

Signature: 

Address: 2400 Roscamare Rd
LA, CA 90077.

Re: 10830 West Chalon Road Approved Haul Route

Dear Council members Gil Cedillo, Jose Huizar, and Mitch Englander:

Please accept this letter of support for your use with respect to the haul route at 10830 Chalon Road, Los Angeles, CA 90077. I ask for you to uphold the haul route decision made on October 28, 2014, by the Building and Safety Commissioners.

This letter is to confirm that the property has met all the city code requirements and that, no deviations from the code are being requested, in fact, Mr. Sadighpour has gone above and beyond to make this property a premiere location in Bel-Air.

The existing property has a 64 year old single family residential unit that does not add value to the neighborhood. The existing home is dated, out of character and lacks in curb appeal. The property has been on and off the real estate market for more than a decade.

I am disappointed an appeal was filed on the determination of the haul route before any attempt was made to contact Mr. Sadighpour. I support the haul route particularly since Mr. Sadighpour is designing per code and is in compliance with city regulations. I encourage you to uphold the decision of the building department and dismiss any appeals on the haul route.

Very truly yours,

Name: BIJAN AND MAHNAZ NAHAI

Signature: Bijan Mahnaz Nahai

Address: 487 ST. PIERRE ROAD, LOS ANGELES, CA 90077
