Dear Ms. Walcott,

I have attached two emails that were sent to the full City Council and staff on separate dates, with two separate comment letters regarding Council File 14-1571/Street Damage Restoration Fund. I noticed that they had not been included on the Council File, and wish that they be included for public record.

It is possible that I did not include the City Clerk's email address in the emails when I sent it. My apologies, and thank you for correcting the public record. If you have any questions, please let me know.

Thank you,

Christine
