Brief Summary: The Glassell Park Neighborhood Council urges the Los Angeles City Council to pass Public Works & Gang Reduction Committee motion 14-1634 presented by Councilmember Mike Bonin and Seconded by Councilmember Joe Buscaino

Additional Information: The GPNC SUPPORTS this proposed issue because we have both a great deal of new construction and, in many areas, open space covered with trees. We welcome the opportunity to comment on the number of trees that must be destroyed to build in our community. We also appreciate the plan to create a system for collaboration to ensure that potential environmental impacts are considered prior to completion of CEQA review.

Los Angeles City Hall

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 14-1634 regarding the issue of tree removal on private property.

COMMUNITY IMPACT STATEMENT

The Glassell Park Neighborhood Council SUPPORTS this proposed issue because here, in Northeast Los Angeles, we have both a great deal of new construction and, in some areas, open space covered with trees. While we do not dispute an owner's right to build, we do want to be able to comment on the number of trees that must be destroyed to do so. We also appreciate the motion's plan to create a system for better collaboration among departments to ensure that the review and analysis of potential environmental impacts takes place prior to completion of CEQA review.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on February 17, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 12 yes, 0 no, 1 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: "The Glassell Park Neighborhood Council urges the Los Angeles City Council to pass Public Works & Gang Reduction Committee motion 14-1634 presented by Councilmember Mike Bonin and Seconded by Councilmember Joe Buscaino."

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
