**Comments for Public Posting:** Hello, Please help make an amendment to this. My home is a duplex and I live in one unit and rent out the other. Renting this unit as a short term rental has allowed my family and I a small bit of freedom. We have never had a party home, never had a loud/disruptive tenant. Simply, we use it to help pay our mortgage. My young daughter has spent some time in the hospital over the past two years - doing short term rentals gave us that extra bit of rent that enabled us to pay for her treatments. Please, please please.... Find a way to allow us to continue renting it this way. Tax it, regulate it...but please make it legal once again. Thank you Breton Slater
