**Comments for Public Posting:** Please do not lump us (OWNER-OCCUPIED OWNERS OF A RSO HOME) in with entire buildings who would post all of their units on short-term rental sites. We deserve the right to rent out our own live-in home just like others who are going to be able to continue to do so. We are not taking any affordable housing what so ever off of the market. Please remove this restriction before the ordinance goes into effect at the beginning of next month. Our lives and homes are on the line.
