I am staying,	or have s	tayed, in L	os Angeles ti	hrough the	use of a	vacation	rental	during the	following	dates
10-1	8-15	to	11-01-1	5						

I am personally concerned that you would be trying to ban this industry rather than to place fair regulations upon it. Because of my rental I was able to (check all that apply):

14-1635

14-1635-52

Travel for business at a fair cost

Travel for vacation at a fair cost

Able to visit family I would normally not be able to visit

Attend a city function I wouldn't have normally been able to attend

Have more money to spend during my travels

□ Visit Los Angeles for possible re-location

I did also book my rental with a company that has collected Transient Occupancy Tax and has remitted it to you. I feel I am a responsible guest and that I was well informed of my property rules upon my arrival. I was met at the door, I was asked to sign a rental agreement with all property rules, and I was notified of my rentals manager contact information (which was located in the building I am renting).

I do hope you will pass fair regulation	s for short-term rentals in this grand city.
