I am staying	, or have staye	ed, in Los Angele	es through the use of	a vacation rental	during the following dates
and the second	5-15	to 1(-	8-19.		

I am personally concerned that you would be trying to ban this industry rather than to place fair regulations upon it. Because of my rental I was able to (check all that apply):

Travel for business at a fair cost

Travel for vacation at a fair cost

Able to visit family I would normally not be able to visit

Attend a city function I wouldn't have normally been able to attend

Have more money to spend during my travels

☐ Visit Los Angeles for possible re-location

I did also book my rental with a company that has collected Transient Occupancy Tax and has remitted it to you. I feel I am a responsible guest and that I was well informed of my property rules upon my arrival. I was met at the door, I was asked to sign a rental agreement with all property rules, and I was notified of my rentals manager contact information (which was located in the building I am renting).
