Dear Councilmembers and Council staff,

The tenant rights community strongly supports a citywide ordinance to regulate the short term rental industry in Los Angeles.

We must preserve the affordable housing that we have and not risk losing rental units to the short term market. We are particularly concerned that we not losing units currently covered by the Rent Stabilization Ordinance.

I am attaching our letter sent in July outlining our key concerns. The letter is supported by the following organizations:

*Coalition for Economic Survival*

*Community Health Councils*

*Esperanza Community Housing Corporation*

*Inner City Law Center*

*Inquilinos Unidos*

*Keep Neighborhoods First*

*Koreatown Immigrant Workers Alliance (KIWA)*

*Los Angeles Alliance for a New Economy (LAANE)*

*Los Angeles Community Action Network (LA CAN)*

*People Organized for Westside Renewal (POWER)*

*Strategic Actions for a Just Economy (SAJE)*

*Southeast Asian Community Alliance (SEACA)*

*St. John's Well-Child and Family Center*

*Thai Community Development Corporation*

*Venice Community Housing*
