Hello

This is Brian Wald a resident of Marina del Rey

I support RSO Unit Protections and Affordable Housing

I will be watching with interest for the results of the Council's decisions of these issues.

Respectfully

Brian Wald

115 Topsail Mall, Marina del Rey, CA90292

I support RSO Unit Protections and Affordable Housing

People work... this is an awful time for a meeting for people against real estate agents buying apartments and putting them on airbnb and other stupid sites. I am really upset I cannot go. Seems like a set up to fail to stop real estate agents who have free schedules making money for nothing.
