Dear City of Los Angeles,

Respectfully, I request city council limit STRs to 30 days per year, 60 (max).

180 days for STRs is not just 1/2 the year. Its 3 or 4 days every week. All 52 weekends. Still leaving xtra time for holidays. This is a full time, all year, short term hotelier operation. Not a "once in while" host to supplement income.

STRs have ruined our once wonderful community of great neighbors and family-like friends. Angelenos. For 8 years now, the current owners of our building continue to operate as a non-permitted, short term, rogue hotel with complete disregard of all city ordinances. Shamelessly harassing legal tenants (especially single women) in favor of any transient or tourist with a common credit card. This influx of complete strangers has given us great concern for the safety of our property and persons.

As citizens of Los Angeles, we rely on you, our city council, to protect our people, our homes and our communities.

Sincerely,

Robert Hawes  
Hollywood, CA
