Home Sharing Ordinance, Approve WITHOUT PLUM Amendment, CPC-2016-1243-CA, Council File: 14-1635-S2

To: Councilmember David Ryu  
**City Clerk for Council File**

Dear Councilmember Ryu,

I am writing regarding the amended version of the Home Sharing Ordinance which will come before the City Council next week. While I strongly support the approval of a Home Sharing Ordinance (HSO), **I adamantly oppose the amendment made by the PLUM Committee to tie the effective date to a future ordinance on vacation rentals.**

The vacation rental ordinance has not even been drafted. There is no proposed timeline for it. The PLUM's disturbing decision to add this amendment could delay implementation of the HSO indefinitely, and that is unacceptable. We need the HSO now, in order to reign in the well-documented abuse of short-term rentals.

I believe it's important to approve the HSO, but the PLUM amendment must first be removed so that the Ordinance can be implemented as soon as possible.

Thank you for your time.

Sincerely,  
Casey Maddren
