Summary: The LFNC encourages the City Council to follow the recommendations of the Department of City Planning with regards to the implementation of the Home-Sharing Ordinance. Los Angeles' regulation of the short-term rental industry should have a positive impact for renters citywide, and in Los Feliz. We may also become a model for other cities seeking solutions to similar problems. In order for that to happen, the law must be enforced. LFNC commends the DCP on their thorough consideration of this goal.
