Re: Council File: 14-1635-S2, Short Term Rentals, Preparation of Ordinance

As a resident and homeowner at _____ in the City of Los Angeles, I am opposed to the ordinance you propose to legalize short term rentals in residential areas. Such “home hotels” are against the purpose the residential zoning codes were established for, and represent an encroachment of commercial operations best left in zones set up for such operations. As such, I strongly encourage you to stop the pursuit of such an ordinance, and further, enforce the code as currently established.
