

Dear Council member Huizar,

I am writing to you in support of fair and sensible home sharing legislation. My guess is a lot of hosts talk about what a great way this is to meet and connect with good people, and I believe that to be true. It's also a nice change of pace to see the city in a light different from the one that we may be used to. We are not just tourists, we are people simply wanting to experience what it feels like living as locals in various cities.

Respectfully,

Mocha G.

Constituent, Council District 14

Dear Council member Huizar,

Home sharing allows people to save money, meet financial obligations and support the local economy. Moreover, "Home Sharing Hosts" helps guests understand the DTLA neighborhood. Many guests are first time travelers to LA and are scared of DTLA. By the end of their travels, these guests realize that downtown Los Angeles is safe, fun and vibrant.

It is with this in mind that I encourage you and all City Council members to move forward with fair, common sense home-sharing legislation.

Thank you,
Cindy B.
