Dear City of Los Angeles representatives--

As residents of Highland Park for over 30 years, we have viewed with alarm the proliferation of homeless encampments in the Arroyo Seco and the resulting increase in crime, pollution and risks to public safety.

We support the ordinance that would repeal and replace Sec 56.11, Article 6, Chapter V in order to facilitate mitigation of the situation.

Thank you for your action on this.

Regards,

Peter Hess and Marguerite Jones
