SUPPORT for the Resolution (Bonin-Koretz-O'Farrell)
to oppose AB57 (Quirk), relative to the Regulation of
Wireless Telecommunications Facilities.

June 18, 2015

Via email
Council President Herb Wesson, Chair
Members of the Rules, Elections, and Intergovernmental Relations Committee

Honorable Councilmembers Wesson, Huizar, and LaBonge:

While wireless telecommunications facilities provide a needed service, over many years the Old Granada Hills Residents' Group (OGHRG) has advocated for more comprehensive local regulations of these facilities in the public right of way (see OGHRG letters posted to CF# 09-2645).

By a unanimous vote, the Board of Directors of the OGHRG respectfully requests your SUPPORT for Councilmember Bonin's motion/resolution as we fully agree that AB 57 would negatively impact the ability of cities throughout the state to regulate the placement of wireless telecommunications facilities within their jurisdiction.

Thank you for your consideration,

Dave Beauvais, President
Old Granada Hills Residents' Group

Maria Fisk, Board Member
Old Granada Hills Residents' Group

Cc: Councilmember Mitchell Englander.
