Council File 15-0002-S6

Honorable City Council  
c/o Office of the City Clerk  
Los Angeles City Hall  
200 North Spring Street, Room 395  
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 15-0002-S6 that asks the City Council to adopt a Resolution to SUPPORT of legislation seeking voter approval of a State ballot measure that would provide funding for seismic retrofit programs for housing and infrastructure, water system infrastructure and telecommunications infrastructure.

**COMMUNITY IMPACT STATEMENT**

The Glassell Park Neighborhood Council SUPPORTS this Resolution because experience tells us that many of our buildings, water systems and wireless towers will not withstand the next big earthquake; and, in order to effect the recommendations of Mayor Garcetti’s Seismic Safety Task Force, substantial financial resources will be necessary.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on May 19, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 7 yes, 0 no, 0 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to approve this Resolution asking for a ballot measure to allow voters to consider bond financing for earthquake safety measures.”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
