

MOTION

The Street Furniture Revenue Fund provides funds for transit related projects, sidewalk projects, curb / sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as on general services to the community in each Council District.

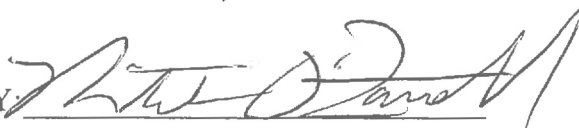

The Bureau of Street Services is providing services for various pothole, large asphalt repair and tree trimming projects in Council District 2. This effort is of special benefit for the residents of the City and for Council District 2 and deserves financial assistance from the City.

Sufficient funds are available in the Council District 2 portion of the Street Furniture Revenue Fund which could appropriately be transferred to the Bureau of Street Services for this purpose.

I THEREFORE MOVE that \$150,000 from the Council District 2 portion of the Street Furniture Revenue Fund No. 43D, Department 50 be transferred/appropriated to the Street Services Fund No. 100-86, Account No. 1090 (Salaries - Overtime) for various pothole, large asphalt repair and tree trimming projects in Council District 2

I FURTHER MOVE that the Bureau of Street Services be authorized to make any clarifications or corrections to the above instructions as may be necessary to implement the intent of this Motion.
