Thanks John! I really appreciate it.

I wanted to make sure they do NOT remove the clause in the document on Page 5 article #8 where ALL properties adjoining the area to be vacated have consents to any and all changes that Tarzan 5 is requesting. I want to make sure they have written consent from the adjoining neighbors for any and all changes to the alley.

8.  That consents to the vacation be secured from the owners of all properties adjoining the area to be vacated (Lots 16 through 31, inclusive, of Tract 16690), from the owner of Lot 1 of Tract 21537, and from the owner of Lot 32 of Tract 16690.

In the letter that Tarzan 5 has mailed us (see attached last page of the document), it mentions that they want the power of attorney to "clean up the area, repair or install new and with remote controlled gates, install cameras, provide security guards". I wanted to make sure they're ONLY allowed to do these tasks as oppose to full ownership of the vacation alley. Anything beyond what has been mentioned above would need written consents of all adjoining neighbors.

Thanks,

Hi Arash,

Sory for delay in response.

Dale, where does Arash send a letter to be added to the alley vacation file?

Thanks very much,
