PROTEST

Dear City of Council;

This is regarding the violations and liens on the property of 4361 Camero Ave, LA, CA 90027, I have joint tendency with owner Tada Skara, also my brother, Niko Skara is an owner. I had no knowledge when she started her building project, and I did not participate in her continuation to build without any inspections and permits. I don't live there and I am locked out from the Camero Ave property. My brother Niko Skara and Tada Skara live there. I am not on good terms with them both and I do not communicate with them any longer. I don't know what is going on at the property. My hands are tied and there is nothing I can do to help in this matter. Please do not include me in Tada Skara's liens and violations regarding the Camero property.

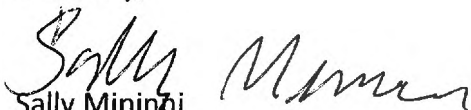

Also, The Mininni Family Trust does not have any interest or are owners of 4361 Camero Ave property. There was an error made by my husband's attorney while working on our trust. This was corrected with the recorded transfer deed and with the assessor office. Please do not use the Mininni Family Trust name in any association with 4361 Camero Ave property.

Tada Skara is solely financially responsible for building the rear house, and all the violations and all the liens regarding the property 4361 Camero Ave. LA, CA 90027. I personally did not commit any unlawful violations, so please do not put any of Tada Skara's liens & violations on my name because of her unlawful actions. I had worked very hard to keep my excellent credit and, also I object the Direct assess secured tax roll on the property which is very unfair due to it's not my violations nor my liens. I can't afford to pay any of her fines and liens. I am disabled and on Disability which is very limited income. I am unable to work as a Dental Hygienist of 23 years due to recently being blind in my right eye and other health issues. I am planning to move out of Los Angeles very soon, and It will be very difficult for me to come to hearings due to the long distance, and I am not driving.

In the past, I have tried numerous times to reason with Tada Skara to get her to comply. She is very stubborn, refuses to listen and is very difficult, stressful to deal with. I personally have no control nor authorization and no keys to the property, and I am not allow on the property. Per Tada Skara, She is the main owner and only she makes all the decisions regarding the Camero Ave property. I should not have to pay for her unlawful actions just because my name is on the Camero property deed.

Please, don't make me pay for her unlawful actions, please remove my name from Tada Skara's Liens, Violations, and Hearings regarding the Camero property.

Sincerely,

Sally Mininni
