Dear Ms. Dickinson,

I am a Miracle Mile resident and I oppose the (proposed) Miracle Mile HPOZ.

The majority of residents in the (proposed) Miracle Mile HPOZ are renters. Fear has been used to rally their support by presenting HPOZ as the only tool to prevent eviction and permanently preserve rent stabilized apartments.

Single family homeowners, with most to lose, have been put on the defensive for voicing their opposition to a movement that has not considered their rights.

Most of us don't want to be in this contentious arena. We didn't buy into a HPOZ neighborhood and we would like to protect the investments we made from being forcibly altered.

It seems we have become pawns in a fight between renters, developers and the city.

The ramifications of an HPOZ are forever. If it turns out to be a disaster we can't vote it out. How can anyone be so sure of anything to accept those conditions.

Please consider less drastic measures than the HPOZ to deal with rent control.

Sincerely,

Marina Maybank

Re: Miracle Mile HPOZ Council File # 15-0183-S1

Dear Councilmember David Ryu, Councilmember Herb Wesson, and Members of the Planning and Land Use Management Committee:

I support the Miracle Mile Historic Preservation Overlay Zone (HPOZ) as approved by the Cultural Heritage Commission and request that the historic areas excluded by the City Planning Commission be reinstated.

I appreciate your ongoing efforts to protect my neighborhood. The Miracle Mile HPOZ will save our historic homes and multifamily buildings and bring much needed stability to our unique neighborhood.

Thank you,

Jeff Lovell
