Re: Miracle Mile HPOZ Council File # 15-0183-S1

Dear Councilmember David Ryu, Councilmember Herb Wesson, and Members of the Planning and Land Use Management Committee:

I support the *Miracle Mile Historic Preservation Overlay Zone (HPOZ)* as approved by the Cultural Heritage Commission and request that the historic areas excluded by the City Planning Commission be reinstated.

I appreciate your ongoing efforts to protect my neighborhood. The Miracle Mile HPOZ will save our historic homes and multifamily buildings and bring much needed stability to our unique neighborhood.

Thank you,

Mr Ryu,

I am writing to voice my VERY strong support for HPOZ and for reinstating the historic areas excluded by the City Planning Commission, and my opposition to the building being targeted for demolition with this area.

I am a resident living within the HPOZ boundry, having lived here for 9 yrs. Therefore have a vested intered in this outcome.

There are so few neighborhood such as ours, where neighbors know each other, look out for each other, take pride in their homes, and have a true community feel. They are being torn down, one by one to be replaced by hugh mega structures that are a wart to the beauty of our historic corner that is Miracle Mile. We still have time to save this tiny spec of LA. I implore you to please hear our collective voice and help us protect this gem while we still can.

Sincerely,  
 Sarai
