Dear Mr. Beroukhim, Mr. Wesson and Ms. Dickinson,

Our neighbor has shared with us a copy of Mr. Wesson's revised letter dated February 8th concerning the proposed HPOZ for the Miracle Mile. We live at 1235 South Orange Drive and we urge you to approve the HPOZ without any changes to the boundaries.

We are dismayed, however, that we have not received either Mr. Wesson's first letter nor the revised letter. We want to make sure that you will protect the wonderful quality of life in our neighborhood:

- its close community ties,
- the rent-stabilized homes,
- its architectural integrity, and
- especially its social and economic diversity.

Thus we strongly object to the suggestion that the HPOZ will be rejected if the members of PLUM and other city officials do not hear from those who live in the area. That presumption in favor of the developers who want to destroy our community with expensive, high-rise apartments is all the more outrageous and indefensible if none of the letters from Mr. Wesson are not even being delivered to the neighborhood!

Please support the HPOZ and listen to the people who actually live in this area.

Thank you, Suellen Keiner

Hello Ms. Keiner,

The mailers were sent out on February 1st and for your particular address, the envelope was addressed to William G Keiner.

I believe you contacted our office a week or 2 ago and your position has been logged since then.

Thank you
