Subject: **INFORMATION TECHNOLOGY AGENCY (ITA) RESPONSE TO
COUNCIL FILE 15-0211 – HOMELESSNESS / FUNDING AND
RESOURCES**

In response to the request from the Co-Chairs of the Homelessness and Poverty Committee for a budget request to address resource needs to implement a homeless strategy, the Information Technology Agency is not requesting any additional funding at this time. Based on the initiatives we will be assisting with, we do not anticipate the need for additional budget at this time. Should requirements for support of this initiative increase substantially, we will revisit our resource needs.

Please contact me or Laura Ito, Acting Assistant General Manager at (213) 978-3111, should you have any questions or require additional information.

Respectfully submitted,

Ted M. Ross
General Manager
