DISCUSSION

The donation is for the benefit of West Los Angeles Area (WLA) for the purpose of transporting officers and equipment in off terrain locations such as beaches or rural areas in the 65 square miles that make up WLA. Currently WLA does not have any off road vehicles in its fleet, and due to the increase of homeless encampments and other police problems associated with hard to reach areas, accessing these areas have posed a serious challenge for WLA personnel. The donation will help with the effectiveness and efficiency of policing in the community. The donation has been reviewed by George Yamanka, Commanding Officer, Motor Transport Division, and will be added to the Department's fleet. The donor will be responsible for service and repairs.

No expressed or implied commitments or promises were made to the donor or representatives of the donor. The donor will not receive any preferential treatment, endorsement, or recommendation; and the donor is not allowed the use of any Department patents.

Administrative Services Bureau has reviewed the donation and determined that it has been submitted in accordance with Section 5.467 et seq. of the Los Angeles Administrative Code, which provides for the receipt and acceptance of donations to the Department.
