This Memorandum of Understanding ("MOU") is made and entered into by and among the City of Los Angeles ("City") Mayor's Office of Homeland Security and Public Safety ("Mayor's Office"), the Los Angeles Police Department ("LAPD"), Peace Over Violence, a California non-profit corporation ("POV"), Project: Peacemakers, Inc., a California non-profit corporation ("PPMI"), Children's Institute, Inc., a California non-profit corporation ("CII"), Domestic Abuse Center, a California non-profit corporation ("DAC"), Rainbow Services, Ltd., a California non-profit corporation ("RSL"), Jewish Family Service of Los Angeles, a California non-profit corporation ("JFS") and the Center for the Pacific-Asian Family, Incorporated, a California non-profit corporation (each a "Party" and collectively, the "Parties").

I. Overview

A. Background

Prior to 2005, domestic abuse response services in the City were funded by the State of California. In 2005, the City, through its Mayor's Office, created its Domestic Abuse Response Team ("DART") program to expand and improve access to domestic abuse response services in the City. By encouraging collaboration between the Mayor's Office, LAPD and various community-based domestic abuse service providers, the DART program seeks to (1) help victims of domestic violence in receiving comprehensive access to services; (2) develop and strengthen domestic violence policies within the LAPD; and (3) strengthen legal advocacy programs for victims of domestic violence. Services under the DART program have expanded from being located in three LAPD divisions in 2005 to ten divisions currently. The program is managed by the Mayor's Office and has been funded through a combination of City general funds and Federal grant funds, including the FY2012 Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program.

In 2012, the Mayor's Office created its Sexual Assault Response Team ("SART") program. SART is a survivor sensitive program designed to provide a team approach to responding to sexual assaults in the City. The program is a collaborative effort between the Mayor's Office, LAPD and community-based organizations to

provide (1) a law enforcement officer who conducts an investigation and provides emergency assistance in connection with sexual assaults; (2) a counselor-advocate who provides emotional support, referrals, and information to help the survivor; and (3) support for victim's family and friends where appropriate. The program is managed by the Mayor's Office and has been funded through Federal grant funds. Currently, grant funding exists to support only one community-based organization under the SART program, within the LAPD Divisions of Central, Northeast, Hollenbeck, Wilshire, Rampart, Olympic, Newton, Hollywood, Southwest, 77<sup>th</sup>, Beverly Hills, Culver City, Glendale and Burbank.

B. Purpose of MOU and the Project

This MOU sets forth the terms of a collaborative effort among the Parties hereto to provide assistance to victims of domestic violence and sexual assault as part of activities funded by the United States Department of Justice Office on Violence Against Women ("OVW" or the "Grantor") Fiscal Year 2014 Grants to Encourage Arrest Polices and Enforcement of Protection Orders Program (the "Grant"). These activities (the "Project") are comprised of the following:

- (1) Continued operation of the DART program in the LAPD divisions of Northeast, Southwest, Southeast, Hollenbeck, 77<sup>th</sup>, Newton, Van Nuys, Rampart, Harbor and North Hollywood. The DART program services shall be a collaboration between the Mayor's Office, LAPD, POV, CII, PPMI, JFS, RSL and DAC.
- (2) Continued operation and expansion of the SART program to three community-based service providers for sexual assault services within the City. The SART program services shall be a collaboration between the Mayor's Office, LAPD, POV and CPAF.
