Request PLUM Hearing Continuance from Oct. 27 to Dec. 8, 2015

Dear Ms. Dickinson

I previously spoke with Mr. Ocubillo and CD 4 about having this matter continued from October 27 to

December 8, 2015, or some date thereafter. I was advised that the continuance would not be a problem. The reason for the

continuance is my unavailability to attend and prepare for the hearing, due to a calendar conflict:

I will be in a hearing in the Los Angeles Superior Court, Central District the afternoon of October 27 and the

court matter has been specially set on the court's calendar since March, 2015. I am a sole practitioner and have no

one from my office who can handle the pending legal matter in my place.

I was informed that I am required to provide you with this written request so that it can become part of the city council file.

If you need any further information from me, please advise me. I would appreciate written confirmation that my presence will not be needed at the October 27 PLUM hearing and that this CEQA appeal can be re-set for December 8, 2015 or for another date after December 8, 2015.

There is no impending "statutory" deadline on the CEQA appeal at this time. The deadline is in March 2017.

Thank you for your professional courtesies.

Regards,

R.J. STROTZ, Attorney at Law [Counsel for Appellants]
