Subject: FRANCHISE EXTENSION FOR ORDINANCE NO. 184955

Dear James Beacon:

Our records indicate that the franchise authority granted to Chevron Environmental Management in Ordinance No. 184955 was for a one-year term set to expire on July 17, 2018. The City requires all companies which own pipelines in the City's right-of-way to possess a current franchise agreement. Therefore, on June 8, 2018, the City of Los Angeles Board of Public Works exercised the 9-month extension on your ordinance, extending the term end date from July 17, 2018 to March 16, 2019 (BPW-2018-0468).

In the near future, we would like to work with your company to develop a long term franchise agreement beyond March 2019.

Thank you for your prompt attention to this matter. Should you have any comments or questions, please call Uduak-Joe Ntuk at (213) 978-1697 or via email at Uduak.Ntuk@lacity.org.

Sincerely,

DR. FERNANDO CAMPOS
Executive Officer, Board of Public Works
