Such bids will be opened, examined and publicly declared during the regular session of the Council in the John Ferraro Council Chambers, Room 340 City Hall, commencing at 10:00 am, or shortly thereafter, on May 23, 2017. Thereupon, any responsible person, firm or corporation present or represented and accompanying his bid with a cash deposit or certified check equivalent to that required to be filed with sealed bids may raise the bid above the highest sealed bid declared; the latter bid may be raised by any other such bidder; and such bidding may thereafter continue until it appears to the Council that no higher bid is proposed.

The franchises will either then be struck off, sold and awarded by the Council to the highest bidder, but not for an amount less than the minimum bid herein above prescribed, or the Council will take the matter and the bids made under consideration for subsequent determination by it as to the responsibility of the bidder and as to the adequacy of the bids. If in the judgment of the Council no adequate and responsible bid had been made, the Council may withdraw the franchise(s) from sale, or it may advertise the franchise(s) anew, or award to current franchisee if no other bids for that franchise is received and bill the franchisee for the bid accordingly, and the Council reserves the right and power to do so.

All good faith guarantee deposits of unsuccessful bidders will be returned, except that the deposit of the bidder awarded the franchise will be retained. Successful bidders have five days to file the performance or surety bond required by the franchise after the award.
