Summary: The Atwater Village Neighborhood Council, supports council resolution 15-0389 introduced by Council President Wesson. Per the City Charter, Neighborhood Councils play an essential role in advising City Council, Council committees, and City commissions. It is imperative the City to allow Neighborhood Council representatives to have an appropriate amount of speaking time at city meetings to share the insights of their neighborhoods, so long as those insights are sanctioned by a vote of their Neighborhood Council boards. Additionally, the sanctioned Neighborhood Council coalitions should be provided the same opportunity.
