Summary:

On December 13, 2016, your Committee considered a November 4, 2016 City Clerk report relative to the San Pedro Historic Waterfront (property-based) BID 2017 FY Annual Planning Report. According to the City Clerk, the San Pedro Historic Waterfront BID was established on October 2, 2012 by and through the City Council's adoption of Ordinance No. 182276 which confirmed the assessments to be levied upon properties within the BID, as described in the District's Management District Plan. Council established the BID pursuant to State Law.

State Law requires that the BID's owners' association shall cause to be prepared, for Council's consideration, an Annual Planning Report for each FY for which assessments are to be levied and collected to pay for the costs of the planned District improvements and activities. The Annual Planning Report shall be filed with the City Clerk and shall refer to the district by name, specify the fiscal year to which the report applies, and with respect to that FY, shall contain all of the following:

- a. Any proposed changes in the boundaries of the BID or in any benefit zones within the BID.
- b. The improvements and activities to be provided for that FY.
- c. An estimate of the cost of providing the improvements and activities for that FY.
- d. The method and basis of levying the assessment in sufficient detail to allow each real

property owner to estimate the amount of the assessment to be levied against his or her property for that FY.

- e. The amount of any surplus or deficit revenues to be carried over from a previous FY.
- f. The amount of an contributions to be made from sources other than assessments levied.

The BID's total budget has increased due to a rollover of unspent funds from the previous BID year as described in the Annual Planning Report. The increased funding has not changed the description of the budget categories approved in the Management District Plan and the City Clerk does not recognize any adverse impacts to the special benefits received by property owners due to this action.

The attached Annual Planning Report, which was approved by the District's Board at their meeting on November 2, 2016, complies with the requirements of the State Law and reports that programs will continue, as outlined in the Management District Plan adopted by the District property owners. Council may approve the Annual Planning Report as filed by the BID's owners' association or may modify any particulars contained in the Annual Planning Report, in accordance with State Law, and approve it as modified.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the November 4, 2016 City Clerk report. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

ECONOMIC DEVELOPMENT COMMITTEE
