Re: Council File 15-0458-S1 (Graywater Systems)

At its June, 2015 meeting, the Mar Vista Community Council unanimously passed the following policy motion:

The Mar Vista Community Council supports the motion presented by Councilmembers Mike Bonin and Paul Krekorian to encourage the installation of more graywater systems by eliminating the permit fees for simple systems and also instructs the Department of Water and Power to determine what other hurdles or issues could be streamlined to further encourage people to recycle water at their homes with graywater systems. We recommend that the motion be amended to include the development of an education and outreach component.

Thank you for your consideration,

Bill Koontz, Chair
Mar Vista Community Council
