Summary: The Los Feliz Neighborhood Council (LFNC) is in support of the Vision Zero Action Plan, as reported by Los Angeles Department of Transportation (LADOT) and dated February 1, 2017. The extent to which transportation related fatalities occur in Los Angeles, a premier international city, is an embarrassingly tragic reality. We support the efforts described in the Vision Zero Action Plan surrounding education, enforcement, engineering, evaluation and equity. No one should risk their life simply traversing the city to get to work, school, play, or home. For these reasons, the Los Feliz Neighborhood Council SUPPORTS this motion..
