We have reviewed the contents within Council file No 15-0672-S1 and are in full support of the appeal filed. We received a Notice to Appellant, Appicates and Interested Parties letter since we live within very close proximity to the proposed site on North Westgate and Chaparal.

The facts presented in the appeal are very troubling and on behalf of my family and other concerned neighbors, we ask that you deny the Haul Route Permit for this inappropriate project.

Thank you,

North Westgate Avenue Neighbors Coalition
