Councilmember Mike Bonin, Chair
Transportation Committee
Attn: John White

RE: COUNCIL FILE TRANSMITTAL

On April 17, 2019, the Public Works and Gang Reduction Committee considered a Bureau of Street Services (BSS) and Los Angeles Department of Transportation (LADOT) joint report relative to efforts to inspect the existing bicycle network and a proposed plan to bring pavement on the network into a state of good repair, Council file Nos. 17-1142-S1 and 15-0719-S17. After consideration, the Committee moved to:

1. ADOPT the recommendations in the joint BSS/LADOT report.
2. INSTRUCT the BSS to prioritize the dedicated crew for large asphalt repairs in the funding cycle.
3. INSTRUCT the BSS to report on the implementation plan for the use of the crews for repairs on the on-street bike network.
4. INSTRUCT the LADOT to develop a plan for the installation of rough road warning signs on street segments that are currently not in a state of good repair, including costs to implement the program, limiting signs to roads that pose the greatest risk, and, for every placed sign, a proposed repair date for the street segment.

This file is now transmitted to the Transportation Committee.

Michael Espinosa
Legislative Assistant
Public Works and Gang Reduction Committee
