Dear Councilman Koretz,

I am a homeowner in the Ranch Park neighborhood (Veteran and Tennessee), and I strongly support adopting the Mobility Plan 2035. I ride my bike to work, and I believe that this will help make LA streets safer for all of us biking. I also think it will make the neighborhood safer for walking my 5-year old daughter around the neighborhood and to the Westside Pavilion (her favorite place).

I plan to attend tomorrow night's meeting of the Westwood South of Santa Monica Homeowners' Association to further voice my support.

I am especially distressed by your recommendation to remove bike lanes on Westwood Blvd from the Mobility Plan 2035. At a time when the City of Los Angeles is working to become more walkable and bikeable, we need more safe bike lanes connecting popular destinations like Westwood Village and UCLA to neighboring communities--not fewer. Please keep the Plan's networks intact and keep Westwood Blvd. in the Plan.

Please approve the Mobility Plan 2035 so that we can all travel safely on the streets of L.A.

Best regards,

Jed
