Dear Honorable Councilmembers:

I support adopting the Mobility Plan 2035, including ALL of its proposed networks. As the owner of a home just off Westwood Blvd and a bike rider, I am exposed to constant danger, and worse, so is my 19-year-old daughter. If assaults were occurring in my neighborhood at the rate that they are by any weapon other than the motor vehicle, you would feel compelled to do something about it. Please do not shrug this off.

Documentation of the problem can be found here: www.callawiemer.com/Pages/BikeLanes.aspx.

Please approve the Mobility Plan 2035 with Westwood Blvd included so that we can all travel safely on the streets of L.A.

Sincerely,

Calla Wiemer
