Please accept these urgent objections concerning Case No. CPC-2014-3119-ZC-SN-CDO-MCUP-ZV-ZAI-SPR, Council file 15-0721 which appears as item 11 on the June 24, 2015 City Council Agenda. These objections are provided on behalf of Fix The City.

Project: ENVIRONMENTAL IMPACT REPORT (EIR), ERRATA, MITIGATION MONITORING PROGRAM, STATEMENT OF OVERRIDING CONSIDERATIONS, COMMUNICATION FROM CHAIR, PLANNING AND LAND USE MANAGEMENT COMMITTEE and ORDINANCE FIRST CONSIDERATION relative to a zone change, signage district, conditional use permit, and an appeal for the Academy Museum of Motion Pictures project, located at 6001-6067 West Wilshire Boulevard and 6000 West 6th Street.

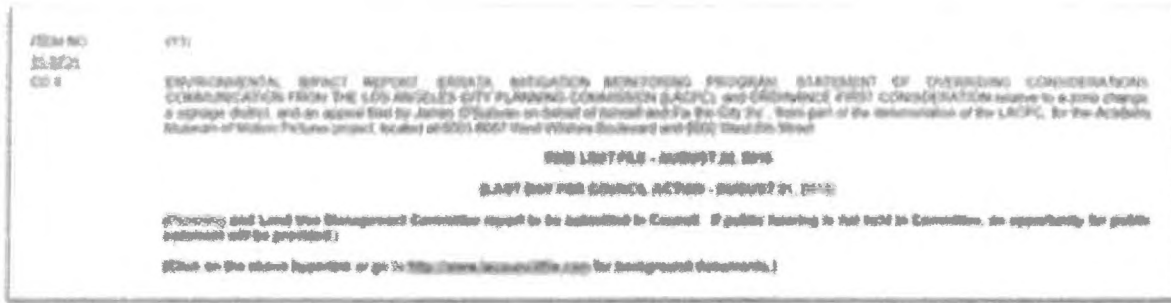

1. The PLUM chair did not waive consideration per Rule 17.
2. PLUM cannot make a recommendation per Rule 71. A member of the committee may only provide a "communication."

File No. 15-0721

ENVIRONMENTAL IMPACT REPORT (EIR), ERRATA, MITIGATION MONITORING PROGRAM, STATEMENT OF OVERRIDING CONSIDERATIONS, COMMUNICATION FROM CHAIR, PLANNING AND LAND USE MANAGEMENT COMMITTEE and ORDINANCE FIRST CONSIDERATION relative to a zone change, signage district, conditional use permit, and an appeal for the Academy Museum of Motion Pictures project, located at 6001-6067 West Wilshire Boulevard and 6000 West 6th Street

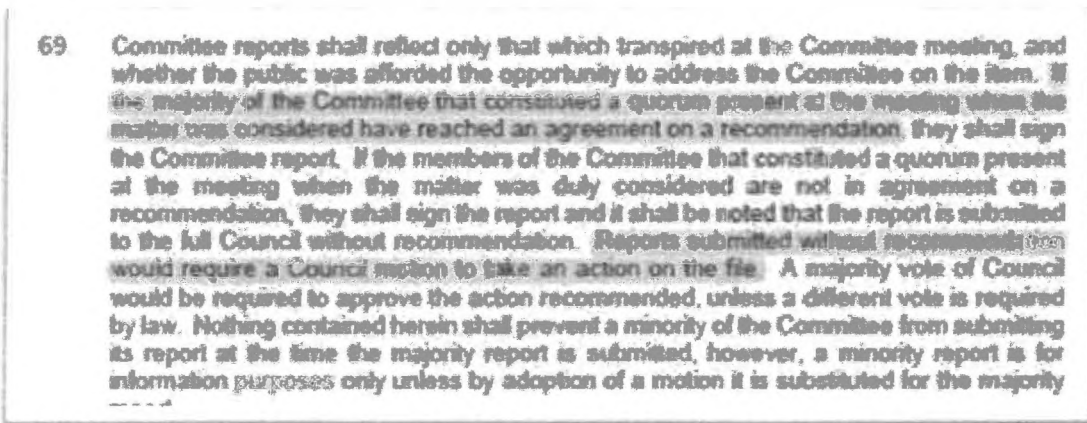

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR

3. The Council Agenda for July 24th is improper as it does not contain the notice requirements described in Rule 70 ("When an item appears on the Agenda, it shall specifically note that a two-thirds vote of the entire council is required for the item to be considered at that time.")

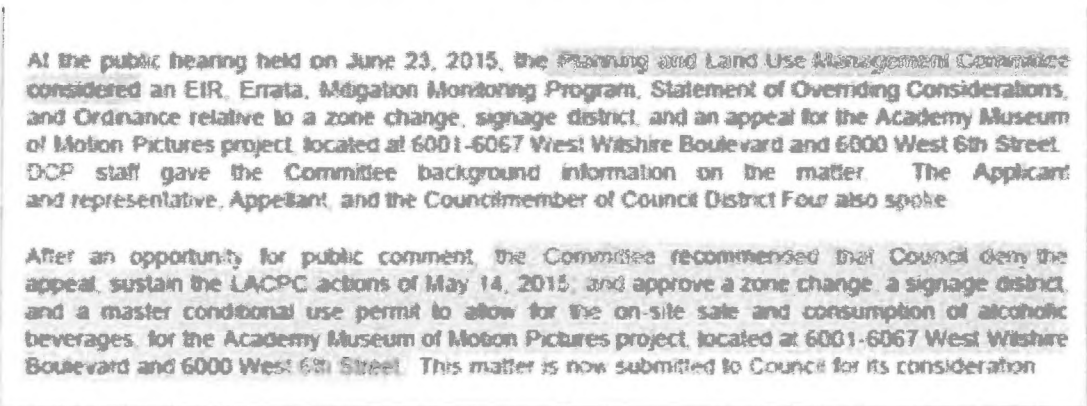

4. The report from PLUM is inaccurate and improper.

- a. It indicates a “recommendation” despite the fact that a quorum was not present at PLUM and no such recommendation was possible. Per Rule 69, only a majority of a Committee can reach an agreement on a recommendation and Committee reports shall reflect only that which transpired at the meeting.

- b. It indicates that it (PLUM) “considered” the subject matter of Council File 15-0721 despite the fact that no such review was possible due to the lack of quorum.
- c. The PLUM report was clearly fabricated in advance and is wholly inaccurate. There was no public hearing, there was no majority, there was no recommendation.

5. The item has been improperly sent from PLUM to the Council for action. PLUM must re-agendize the item and then submit it to the Council following Council Rules.

6. Rule 70 note only contains a requirement for the contents of an agenda item when a Committee fails to act due to lack of quorum, it contains sequencing of actions. Specifically, the Clerk places the item on the Agenda for such FUTURE meeting as requested by the member. In this case, the item was agendized for Council BEFORE PLUM even met and therefore before any such request from a member to place the item on the agenda.

7. Per Rule 71, Committee action shall be by a majority vote of the entire Committee. No quorum was present.

71. Committee action shall be by majority vote of the entire Committee. A member of a City Council Committee who is present when a question is put to that Committee, shall vote on that question at the call of the roll thereon. In the event such member fails to affirmatively vote either "yes" or "no," that member shall be deemed to have voted "yes," and the member's vote will be spread as such upon the record.

11. Committee action shall be by majority vote of the entire Committee. A member of a City Council Committee who is present when a question is put to that Committee, shall vote on that question at the call of the roll thereon. In the event such member fails to affirmatively vote either "yes" or "no," that member shall be deemed to have voted "yes," and the member's vote will be spread as such upon the record.
