Recommendations for Council action, as initiated by Motion (Bonin - Cedillo - Huizar - Koretz for Buscaino):

1. ADOPT the goals for Citywide expansion of storage and services for the homeless as stated in Finding No. 4 of the August 26, 2015 joint City Administrative Officer (CAO) and Chief Legislative Analyst (CLA) report (attached to Council file 15-0727), to serve as a guide for the potential Citywide expansion and operation of new storage and service facilities.
2. ADOPT the location criteria for the Citywide expansion of storage and services presented in Finding No. 6 of the August 26, 2015 joint CAO and CLA report (attached to Council file 15-0727), to address how potential sites for new facilities will be assessed and options for the implementation of short- and long-term facilities.
3. DIRECT the Housing and Community Investment Department to amend the contract with the Los Angeles Homeless Services Authority (LAHSA), subject to the approval of the City Attorney, to include the management of storage and service facilities Citywide.
4. REQUEST the LAHSA to:
 - a. Report within 30 days with an implementation plan to locate and assess potential short- and long-term sites with any additional staff and funds required.
 - b. Report within 60 days subsequent to LAHSA's implementation plan report, with preliminary findings related to resources required to implement short- and long-term storage facilities, including estimated costs, subject to the adopted location criteria.

Fiscal Impact Statement: The City Administrative Officer and the Chief Legislative Analyst reports that the recommendations of this report do not impact the General Fund as they affect City policies regarding storage and services for the homeless. Decisions by the Mayor and Council to implement additional storage and service facilities throughout the City will create future impacts to the General Fund that is dependent on the quantity, size and location of these facilities.
