Item Number:

Summary: According to Los Angeles Municipal Code Section 12.95.2(F)(6) the Planning Department has the ability to deny a condominium conversion if the Vacancy Rate is lower than 5 percent for a Planning area, and the cumulative effect of the rental housing market in a Planning area is significant. The vacancy rate for Mar Vista is 3.74%. THEREFORE, Mar Vista Community Council moves that the Planning Department, with the assistance from the City Attorney's Office, and adoption of the City Council, include the same protections provided under 12.95.2(F)(6) as follows: 1. deny all demolition permits of RSO units for small lot subdivision and creation of condominiums; and 2. deny all demolition permits of RSO units for construction of apartment housing unless all current RSO tenants are rehomed on a 1:1 basis as provided for under AB 2222. 3. Notify the local Council Office and Neighborhood Council when a permit for development has been filed that will specifically affect RSO housing and that such permit will be denied because of the additional protections provided under LAMC 12.95.2(F)(6). FURTHER, it is requested that the Los Angeles City Council reconsider such protections as originally requested by Council Member Koretz in Council File 17-0480.
