Hey John !

Thanks for your quick response. I'm submitting a public comment. I'm sure they've learned from their mistakes and have had a hard time ridding themselves of their past, but I'm bringing it up because I want to be sure this has been taken into consideration in having them provide financial advice for this project, which seems to be The climatic event all our efforts are striving to excel for.

Report on the Olympics.

Didn't KPMG have a massive LBO failure in the 80s with Nabisco ? Just sayin.
