Dear Councilmembers Krekorian and Martinez:

At its meeting held January 20, 2016, the Housing Committee considered Motion (Cedillo – Harris-Dawson – Wesson) relative to strategies for using City-owned land as sites for affordable housing developments. At that time, Committee recommended that Council approve Motion, as amended to:

REQUEST the Mayor's Innovation Team work with the Department of City Planning to include in its report recommendations for pilots on affordable housing, and homeless facilities that can be built on City property, as discussed in recommendation 6D of the joint City Administrative Officer and Chief Legislative Analyst Comprehensive Homeless Strategy report to the Mayor and Council dated January 7, 2016.

DIRECT the Department of City Planning, in conjunction with the Los Angeles Housing and Community Investment Department and any other relevant departments, to prioritize the recommendations of the HOUSE LA Initiative Motions by which would have the largest impact on increasing the City's housing stock, including recommendations 7D, 7K, 7L, 7M, and 8C of the joint City Administrative Officer and Chief Legislative Analyst Comprehensive Homeless Strategy joint report.

DIRECT the City Clerk to create one Council file for the purpose of consolidating all HOUSE LA Initiative Motions and requested reports.

Pursuant to the multiple referral of this matter, the subject Council file is hereby transmitted to your Committees for consideration.

Sincerely,

John A. White, Legislative Assistant
